### **South Dakota Students Selected for United States Senate Youth Program** ***Students to Participate in the First Online Program and to Receive \$10,000 Scholarship***

**February 22, 2021, Washington, D.C.** —The United States Senate Youth Program (USSYP) announces that high school students Ms. Josie Lee Kaufman and Ms. Kayle Rae Lauck will join Senator John Thune and Senator Michael Rounds in representing South Dakota during the 59th annual USSYP Washington Week, to be held March 14 — 17, 2021. Josie Kaufman of Sturgis and Kayle Lauck of Salem were selected from among the state's top student leaders to be part of the 104 national student delegation who will each also receive a \$10,000 college scholarship for undergraduate study. Due to the pandemic, the 2021 program will break ground as the first-ever fully virtual Washington Week, and is designed to be a highly interactive and exciting education and leadership forum for the nation's most outstanding student leaders.

The USSYP was created by Senate Resolution 324 in 1962 and has been sponsored by the Senate and fully funded by The Hearst Foundations since inception. Originally proposed by Senators Kuchel, Mansfield, Dirksen and Humphrey, the Senate leadership of the day, the impetus for the program as stated in Senate testimony is "to increase young Americans' understanding of the interrelationships of the three branches of government, learn the caliber and responsibilities of federally elected and appointed officials, and emphasize the vital importance of democratic decision making not only for America but for people around the world."

Each year this extremely competitive merit-based program brings the most outstanding high school students - two from each state, the District of Columbia and the Department of Defense Education Activity - to Washington, D.C. for an intensive week-long study of the federal government and the people who lead it. However, this year, the program will be held online. The overall mission of the program is to help instill within each class of USSYP student delegates more profound knowledge of the American political process and a lifelong commitment to public service. In addition to the program week, The Hearst Foundations provide each student with a \$10,000 undergraduate college scholarship with encouragement to continue coursework in government, history and public affairs. All expenses for Washington Week are also provided by The Hearst Foundations; as stipulated in S.Res.324, no government funds are utilized.

Josie Kaufman, a senior at Sturgis Brown High School, serves as the Student Body secretary. She is a member of the National Honor Society, Youth Leadership Team, Fellowship of Christian Athletes and the varsity cross country and track teams. Community volunteering and involvement activities include the Lutheran Youth Fellowship, the Kiwanis Annual Food Drive, math tutoring, Family Engagement Night at Elementary School, Vacation Bible School, Sturgis Community Thanksgiving Meals, a 5K run/walk to raise funds for classmate's medical expenses and teaching swimming lessons at local Community Center. Josie plans to attend Montana State University and major in cell biology and neuroscience. Post-graduation she would like to enter medical school to pursue a career in emergency medicine or surgery.
